

OCTOBER 2023

BOARDWALK BEAT

The season's first snow fell on the top of Mt. Baldy (Mt. Craig) on Oct. 3, 2023.

Aspen trees in full splendor over Grand Lake.

Colorado Grand put on an impressive show in Town Park in September

The Town of Grand Lake upholds the Six Pillars of Character: Citizenship, Trustworthiness, Respect, Responsibility, Fairness and Caring

From the Manager's Desk

John Crone, Town Manager

- **Portal Crossing LERP units** - We are proposing a change that will allow employers/businesses to purchase the available deed restricted units to be rented to employees who would otherwise qualify under the LERP guidelines.
- **Marijuana Licenses** - The lottery application process started September 6, 2023. The last day to turn in the Lottery Phase Application to the Town Clerk is 4 p.m. (MST), Monday, November 6, 2023. The details can be found at www.townofgrandlake.com/administration/page/marijuana-licensing-requirements
- **Public Works Projects** - Paving projects have been completed in various areas around Town. We have also installed ADA ramps on both sides of the street at the corner of Grand and Hancock, as well as a curb-cut ramp into the volleyball lot parking area, and put in a ramp and stamped concrete boardwalk near the Pitkin House to allow easier access into Town Park with wheeled equipment. Last but not least, playground equipment has been installed in Town Park which makes our playground handicap accessible!
- **OLRT Ballot Initiative** - The County has approved a ballot question seeking to extend the 0.3% OLRT tax indefinitely. The new resolution would commit up to 40% of the funds to trails and fire mitigation (the old tax limited trails to 15% and had no provision for fire mitigation). The new resolution will also allow for funds to be used for new trail construction and trail maintenance, and it will allow funds to be used for administrative costs incurred by trail building non-profits.
- **GC Open Lands, Rivers and Trails Committee** - There are currently three open positions on the Open Lands, Rivers and Trails Advisory Committee, including the Grand Lake district. To apply, send a letter of interest to OLRTAC@co.grand.co.us by November 3. Learn more at www.co.grand.co.us/851/Open-Lands-Rivers-and-Trails-Advisory-Co

SEASONAL WATER NOTICES

WATER BILLS WILL BE GOING OUT MID-OCTOBER AND DUE BY NOVEMBER 15!

You can view your bill online, make payments, sign up for auto pay, sign up for text messages and much more at:

WORRIED ABOUT YOUR WATER PIPES FREEZING IN THE WINTER?

The Town of Grand Lake offers “bleeder” valves to qualifying properties to prevent service lines from freezing. Units using bleeders may be granted a credit against the water bill for the amount of water allowed to be bled.

GOT A BLEEDER VALVE?

Remember to have them inspected by a plumber to make sure they are ready to go for the winter. Bleeders may be turned on December 1st.

SUMMER WATER WILL BE TURNED OFF THE 1ST WEEK IN OCTOBER!

Questions about your water account can be directed to Town Treasurer, Heike Wilson, at hwilson@toglco.com or (970) 776-0779.

Questions about your water line can be directed to Water Director, Dave Johnson, at djohnson@toglco.com or (970) 531-3309

Code Enforcement

Reminder →

NOXIOUS WEED ABATEMENT (ARTICLE 13-1-4)

It is unlawful for any property owner to permit or maintain any dead or live tree, noxious weeds or undesirable plants that are a "public nuisance" and it shall be the duty of the owner of such property to promptly remove or otherwise abate or eradicate such nuisance.

****Learn more about noxious weed management here:**

<https://www.co.grand.co.us/140/Noxious-Weeds>

WASTE DISPOSAL (ARTICLE 7-6-12)

The purpose of this Code is to protect the public health and welfare by controlling the type of refuse containers to be used in order to decrease the possibility of conflict between wildlife and humans.

ABANDONED VEHICLES (ARTICLE 10)

An Ordinance of the Town of Grand Lake relating to abandoned vehicles, storage of vehicles, parking of vehicles on public right-of-way, towing of such vehicles and prohibiting the commercial sale of vehicles.

LIGHTING STANDARDS (ARTICLE 12-7-6)

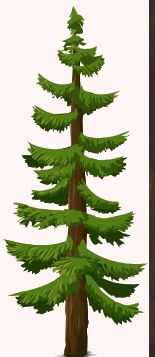

These standards are intended to allow reasonable enjoyment of adjacent and nearby property by the owners and the general public while requiring adequate levels of lighting in private and public spaces.
