PLANNING COMMISSION VACANCY

The Town of Grand Lake is looking to fill a seat on the Planning Commission. Go to www.townofgrandlake.com/pc for position details and application.

The Town of Grand Lake upholds the Six Pillars of Character:
Citizenship, Trustworthiness, Respect, Responsibility, Fairness and Caring

From the Manager's Desk

John Crone, Town Manager

- **Grand Lake Adaptive Management (GLAM)** - The first weekly meeting of the GLAM stakeholders was recently held. This organization was created to monitor and help manage Grand Lake's clarity. The first round of data for the year is very promising, however, it is likely that we have such good clarity because there has been limited pumping so far, as the front range reservoirs are currently full. The data also shows that our spring was exceptionally wet and cold compared to the last decade.
- **Building Hope Grand** - The Grand Foundation has recently announced a new fund and programming created to provide easily accessible information and assistance for those who are suffering from mental illness or addiction problems. If you or someone that you know needs help, please go to www.buildinghopegrand.com to find resources. This is a very important program and a wonderful step towards solving the terrible problems associated with mental illness.
- **Town Code Updates** - Staff has been going over the Town code line by line to identify necessary changes. As we identify those parts of the code that need to be updated or readdressed in some way, we will bring them to the Board for consideration. This is a long process that started last year with the conversion of the code to a searchable and indexed version that is available on the Town website (https://library.municode.com/co/grand_lake/codes/code_of_ordinances?nodeId=MUCOTOGRLACO). Most of the recommended changes will be mundane fixes; however, there may be some aspects of the Code where the Board will want to make fundamental changes. Get ready for a year of code updates!
- **Budget Season** - Department heads are working on their initial budget proposals for 2024. We will be putting the budget together in August and presenting it to the Board in September.
- **Marina Staff Needed** - The Headwaters Marina is looking to hire some more workers to help close out the season (through September). Interested parties please contact Captain Rick at (970) 627-5031 or rtomkievich@toglco.com.

August events!

Bingo in the Park

QUILT
LUMINARIUM
BY RICKY TIMS

Quilt Luminarium by Ricky Tims

Workshop Date: Oct 6-7, 2023 (8am-5pm)

Concert Date: Oct 7, 2023 (7pm-9pm)

Cost: \$250

Level: All experience levels

Workshop Location: Grand Lake Center – 301 Marina Drive, Grand Lake, CO

Concert Location: Grand Lake Community House – 1025 Grand Ave, Grand Lake

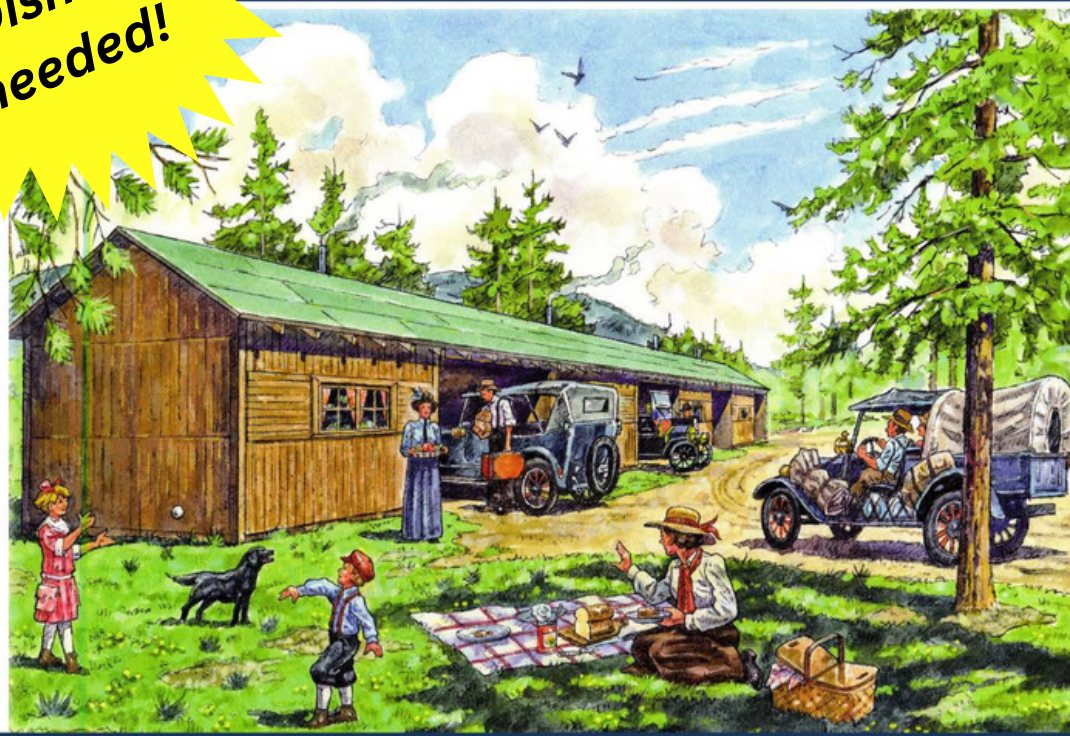

Ricky Tims presents "Quilt Luminarium," in beautiful Grand Lake, Colorado. Tims is an internationally renowned quilter, musician, author and teacher.

His extraordinary two-day, in-person seminar, will be held at the Grand Lake Center and is for quilters of every level. This workshop promises to be as inspiring and innovative as it is instructional.

Tickets are for all eight teaching sessions and a special piano concert too.

This event is made possible through a partnership with Rocky Mountain Folk School and Grand Lake Creative District.

BUS STOP SAFETY AWARENESS

August

11TH AT 6:00 PM

12TH AT 9:00 AM

The School Bus Stop Safety Awareness 1-Hour Class is a focused and informative program designed to educate students, parents, and community members about critical safety practices at school bus stops. In this concise session, participants will learn how to recognize potential hazards, practice safe behavior while waiting for and boarding the bus, and understand the importance of following safety guidelines. The class aims to foster a culture of vigilance and preparedness, ensuring the well-being of children and promoting a secure environment during school bus transportation.
