If connection is made by a contractor it must be inspected before any backfilling is done .

STATEMENT OF UNDERSTANDING

I acknowledge that the following Water Usage Fees apply:

Rates charged shall be based on the quantity of water used per quarter.

A minimum water usage fee shall be charged quarterly for use of zero through twenty-seven thousand gallons (27,000) per water using unit.

For amounts used in excess of twenty-seven thousand gallons (27,000), an additional fee shall be charged for every one thousand gallons (1,000) or fraction thereof used.

Quarterly minimum water usage fees begin for quarter:

- 1) during which a service line is tapped into a water distribution system line; or
- 2) for plant investment fees paid after the effective date of Resolution No. 1-1988, **one year after the plant investment fee is paid**, whichever comes first.
